

## EinScan Education Promotion Plan

In order to promote EinScan to education customers, Shining 3D carries out our latest education promotion plan as below.

**OPTION 1:** Free license of Solid Edge Shining 3D Edition can be provided to educational purchasing.

1 EinScan 2X/2X Plus/RED bundle will get 10 license of Solid Edge Shining 3D Edition.  
(MOQ 2 units EinScan 2X/2X Plus/RED bundle)

1 EinScan SP will get 5 license of Solid Edge Shining 3D Edition. (MOQ 4 units EinScan SP)

**OPTION 2:** 10% discount off the EinScan product to educational purchasing.

Shining 3D and Reseller will take half on each side for this discount. Shining 3D takes 5% off based on the list price, and resellers contribute for the other half 5% of the discount.

All education customers can get free upgrade of EinScan scanning software if any within 3 years after purchase.

Note: Customers may either choose option 1 or 2 for their order to education purpose, and need to fill in corresponding application form to apply for the discount or free license of Solid Edge Shining 3D Edition.
